RESOLUTIONS ~ Maui Nui Style

New Year's resolutions can be much more than personal goals like losing weight or giving up bad habits. FOCUS MAUI NUI participants felt these goals would require a countywide commitment to strong communities where people help one another; to being good stewards of the environment; to continued respect for diversity; to empowering local people; to honoring cultural traditions; to working toward local self-sufficiency; to making wise and balanced decisions; to attempting thoughtful, island-appropriate innovation; and to being consistently conscious of future generations.

Here are a few community strengthening actions that are personally rewarding *and* will increase the overall satisfaction and well-being of Maui Nui residents:

- Participate in your parent-teacher organization
- Involve yourself in your children's homework
- Recycle and reuse
- Join a nature restoration or clean-up group
- Conserve water
- Walk, bicycle, bus, and carpool
- Buy local products and services
- Manage your debt
- Lose weight, exercise and quit smoking
- Celebrate your own, and the host, culture

"In the
New Year,
may your
right hand
always be
stretched out
in friendship,
never in
want."

~ Irish Toast
