Maui Nui Speaks

A MONTH BEFORE THE ELECTION over 1,200 Maui Nui residents participated in FOCUS MAUI NUI's annual Maui County Fair survey. Here are the prioritized results by category:

ECONOMY

1. Support and expand sustainable renewable energy.
2. Promote industries that provide living wages for residents.
3. Promote health and wellness as a significant economic driver in Maui County.
4. Support and expand diversified agriculture.

ENVIRONMENT

1. Preserve natural resources (water, land, air, ocean).
2. Promote sustainable energy (wind, water, solar, thermal, bio, waste).
3. Balance development with conservation, agricultural & recreational land areas.
4. Preserve endemic species and ecosystems (animals and plants).

EDUCATION

1. Ensure youth are prepared for workforce challenges and higher education.
2. Encourage expansion of child care and early childhood development programs.
3. Support school system decision-making at the local level.
4. Promote the creation of a public university on Maui.

INFRASTRUCTURE

1. Ensure affordable housing inventory meets community needs.
2. Ensure water and sewer infrastructure are adequate for planned development.
3. Revise Maui County codes to encourage and reward "smart growth" resulting in small town preservation and green areas.
4. Ensure transportation infrastructures are adequate for planned development.

CULTURE, TRADITIONS and HUMAN NEEDS

1. Develop aggressive collaborations to combat drug and alcohol abuse.
2. Work with schools to incorporate the values of local culture and traditions into curriculum, parenting classes, and after-school programs.
3. Support the growth of, and participation in, cultural organizations and events.
4. Encourage the incorporation of traditional cultural values in business practices.

"Coming together is a beginning. Keeping together is progress. Working together is success."
