NUI OUR FUTURE

PROFILE

The individuals featured here are your neighbors, friends, co-workers. They all share one thing: a true concern for the future of our island home and the willingness to become part of the building process.

Name:
Maile Cabera

Residence:
Kula

Occupation:
Volunteer,
Maui Food Bank

How have you been inspired to take action or involve others in building the future we all want? My mom told me about the Maui Food Bank and so I thought I would volunteer to help out the community. It is a fun and good experience, and I get to learn.

Focus Maui Nui is also about building community. How do you see yourselves fitting into that strategy? Here at the Maui Food Bank, different kinds of stores come to donate food for the homeless or churches. Then, people in need can come pick up food and go and feed their families. I stock the canned goods that come in and also go into the chill room to check the dates to see if anything is old.

What message do you want to send out to your fellow residents? If you need something to do during the summer, I recommend coming down to volunteer at the Maui Food Bank. It is a good experience and you get a chance to help out. Also, I think it would be good to have more summer programs so that kids have more to do during the summer.
